Pupil Voice Visit July 26

Children were asked how they felt about school and made the following comments:

I have learnt how to regulate my behaviour

Teachers are warm and friendly and they are their for you.

I feel safe here.

I've made massive progress. School is amazing

I like being in class.

I've learnt to ignore other peoples behaviour

It's a small school. You get to know everybody.

I've learnt not to comment and make comments on other peoples behaviour

School dinners are much better.

I have made lots of progress. I'm not in work rooms as often. You have to be on your best behaviour
